**SUPREME COURT OF NOVA SCOTIA**

Between:

**MUNICIPALITY OF THE DISTRICT OF GUYSBOROUGH**

and

**THE HEIRS AT LAW OF JOSEPH FOGARTY, JAMES P. FOGARTY and  
FRANK FOGARTY**

**RESPONDENTS**

**Affidavit of Betty Dobson**

I Betty Dobson of Halifax, Province of Nova Scotia make oath and give evidence as follows:

1. I am a heritage writer and genealogist working in Halifax, Nova Scotia
2. I have personal knowledge of the evidence in his Affidavit except where otherwise stated to be based on information and belief.
3. I state, in this Affidavit, the source of any information that is not based on my own personal knowledge, and I state my belief in that source.

**Experience as a Genealogist**

4. From 1993-1999 I studied Creative Writing at St. Mary's University.
5. I started performing genealogical work in 1990. I began by researching my own family tree.
6. Working on my family tree led me to doing a "one-name" study on the name Dobson. That study involved researching everyone with the last name Dobson, and in particular where their name originated, where people with that name settled, and how people with the last name Dobson are connected.
7. I have worked on the one-name study of the Dobson name for twenty years, and earlier this year I joined the Guild of One Name Studies (the "Guild"). The Guild oversees people who are formally conducting or are interested in formally conducting, one-name studies. The one-name study of the Dobson name remains an ongoing research project.
8. I did my first genealogical work for hire 15 years ago, although most of the genealogical work that I have done over the last 15 years has not been paying work.
9. I also started working on genealogies outside my own family approximately 15 years ago, in or about 1999.

10. In the summer of 2000 I was the Publication Coordinator and Book Fair Coordinator for the Yorkshire 2000 Conference. This was a conference for the descendants of settlers that came to Nova Scotia from Yorkshire in the late 1700s to the early 1800s.
11. I am a member of the Genealogical Association of Nova Scotia. I was a member briefly in the 1990s and rejoined the Association in 2012.
12. I am a member of the Cleveland, North Yorkshire and South Durham Historical Society. The Society is the association for people doing genealogical research connected to that geographical area of England. I have been a member since early 2014 and I am currently the editor of the Society's quarterly journal.
13. I am a member of the Guysborough Historical Society. I joined the Society in 2014.
14. Over the years I have attended numerous workshops related to genealogical research, including such topics as writing family histories and conducting research in cemeteries.
15. In 2013 I formally started my business as a heritage writer.
16. My parent's family and most of my ancestors are from what is now the Municipality of the District of Guysborough: my family was spread out from the town of Guysborough to Canso. My ancestors have lived there for generations.
17. Most of my genealogical research, both for my family and for others, has been focused on families connected to the Municipality of the District of Guysborough. Although I do some research in other geographic areas, I am especially well versed in researching families from the Municipality of the District of Guysborough.

#### **Fogarty Research**

18. On or about June 29, 2011, I performed a genealogical search for the descendants of Joseph Fogarty. A true copy of this genealogical search is attached to this my Affidavit as **Exhibit "A"**.
19. I performed an updated genealogical search in the summer of 2014. A true copy of this updated genealogical search is attached to this my Affidavit as **Exhibit "B"**.
20. Subsequent to my 2014 updating report, I made efforts to contact various descendents of Joseph Fogarty. An email summarizing the results of these efforts and the contact information that I received is attached hereto as **Exhibit "C"**.

21. I have created a graphical family tree for the descendants of Michael Fogarty. A true copy of this family tree, is attached as **Exhibit "D"**.
22. I have created a graphical family tree for the descendants of Joseph Fogarty. A true copy of this family tree, is attached as **Exhibit "E"**.
23. The above research reflects the documents uncovered in my searches and in my opinion represents a true and accurate record of the descendants of Joseph Fogarty.
