## EXPRESSIONS OF INTERESTS

Are you open-minded, a forward thinker and a team player? Are you passionate about improving our business and tourism economies? If you said yes, the GDBP has a vacancy for a two year period on our Board.

The mandate of the GDBP is to work as a Board to enhance small business offerings in the District through creative frameworks and programs with other like-minded groups; to enhance the tourism sector in MODG by working with existing players in the tourism sector to implement projects and promotions that will draw more traffic and attention; and to have an enhanced overall focus on community development to attract new comers and build our population.

Experience in any of these areas will be an asset, but not a requirement.

For more information or to express your interest, please reach out to the Executive Director by email at [acunningham@gdbp.ca](mailto:acunningham@gdbp.ca). Deadline to express interest is March 15, 2023.

## Message from Hon. Greg Morrow, M.L.A. Guysborough-Tracadie

Hi there- it's hard to believe we're already into the second newsletter of 2023! The new year brought a visit from Premier Tim Houston to Guysborough on Jan. 12. We started the trip with a meeting with Warden Pitts and municipal officials, who provided an update on the various projects happening in the Municipality of the District of Guysborough. From there, we toured the CLC, visited GOALS, stopped into some of our local businesses and made a few house calls.

It was a huge honour to present Queen's Platinum Jubilee medals to 15 very deserving recipients from Guysborough-Tracadie at the CLC the next night. These individuals come from different areas and help in different ways, but there is one common theme- their humility in their tireless work for their communities. Congratulations!

As always, please do not hesitate to reach out to my constituency office if we can help in any way at 902-533-2777 or [GregMorrow4GT@gmail.com](mailto:GregMorrow4GT@gmail.com).

Thank you, and take care.

## Guysborough Memorial Hospital Auxiliary

One of the main goals of the Hospital Auxiliary is to provide the doctors and nurses with the medical equipment they require to successfully treat those who live in Guysborough and the many surrounding communities.

The Auxiliary has been able to provide funding for medical supplies and equipment through your consistent support and continued generosity. This was certainly evident in the recent success of our Fall Bazaar and Quilt raffle. This generosity has enabled us to make a commitment to contribute \$31,000 in a 50/50 cost sharing effort with the Hospital Foundation toward the purchase of system upgrades to the 3 Cardiac Monitors and adding 3 Telemetry units with SPO2 monitoring.

We continue to provide the hospital with cable TV, personal care items and furnishings that provide comfort and care to the patients. We are always interested in attracting new members. Both men and women are encouraged to join. What better use of one's time and energies could there be?

We appreciate and thank you all for your continued support. Donations can be given to an Auxiliary member in your area or by mailing to: GMHA PO Box 181, Guysborough NS B0H1N0.

## *Are you a member of ArtWorks East?*

If you are already a member, this is the time of the year when we gather annual dues (\$25 for returning members). You can e-transfer your dues to [artworkseast.awe@gmail.com](mailto:artworkseast.awe@gmail.com).

We have around 35 members and we strongly encourage part-time crafters and beginning artists to join. Members can learn from one another and share their work in the summertime waterfront gallery in Guysborough. Members also receive a free, personal webpage. A new membership is only \$10.

You can learn about all the benefits of membership here and find out how to become a new member at <https://artworkseast.ca/>. We even have sustaining members who want to contribute through voluntary donations to the arts in Guysborough County.

Members who are interested can also host workshops to share their skills, enrich the community, and of course, boost their income a little. We provide marketing and can handle all the registration and finances. For example, Sandy Winter and Alison Billard both hosted workshops to share their crafts in February.

ArtWorks East (AWE) is an association of artists and crafters who live in Guysborough County. Our vision is a community where the skills and related products of the visual arts and crafts are appreciated, shared, taught, promoted, and purchased by residents and visitors, both young and old.

## Guysborough Waterfront Development Society

Since 2001 the Guysborough Waterfront Development Society (GWDS) has operated the Guysborough Marina and Jost Building as a cornerstone for local community activities and tourism development. A volunteer board of directors oversees the running of the GWDS and has successfully maintained a vibrant waterfront that has been enjoyed by locals and tourists alike. Over the years, many young students have found summer employment at the waterfront and many musical concerts, weddings, community meetings and boating adventures have taken place at the waterfront venue.

Today, we are actively trying to prepare for the future development of the facility. We are looking to improve the overall infrastructure to allow for expansion into greater tourism markets, including attracting larger vessels such as the Super Yachts that have visited the marina over the past few summers. But our buildings and wharf area need attention, upgrades are required to improve and maintain our building structures, greater accessibility to the facilities is required to meet the needs of all our population, more inclusive and appealing opportunities to encourage visitors to stay longer on site.

Our board has been able to secure funding to begin the process of making these needed changes. Our overall goal is to restore the two buildings with many new windows and doors, siding on both buildings, improved bathroom facilities, extensive upgrades to the wharf and docks and other amenities that will greatly enhance the curbside appeal and practicality of the site.

Since our beginning, we have had tremendous community support, through times when storms wreaked havoc on the docks and caused extensive damage. Now, before our structures become too far gone, we are looking to make improvements that will allow us to continue to be the focal point of our community. Our project costs, in this first phase of development, is in excess of \$150,000.00. Having secured funding up to 50%, we are seeking financial support from the community to aid in this work, and we are pleased to announce a wonderful contribution from **Jacques and Claire Creppel of \$10,000.00** to kick off our fund-raising campaign!

Should a resident or business leader wish to contribute to our fund-raising campaign, we would graciously accept cheques or e-transfers. As a non-profit society we are able to issue tax receipts for any donation. Our target date for our fund raising is October 31, 2023. Work has already begun and over the course of the coming months we hope to have the majority of the work completed in preparation for the coming boating and building rental season. Thank you for your support as we move forward to maintain and improve the Guysborough Waterfront for all to use!

Sincerely,  
Paul Long, Chairperson, GWDS

*"Expanding Canadian space launch capability will bring economic opportunity for the Canadian space sector, not only in urban centres but also in regions, encourage innovation and research, support national security, and create good jobs for Canadians."*

-Minister Omar Alghabra, Minister of Transport Canada, January 20<sup>th</sup>

Happy New Year from the Maritime Launch team!

For Maritime Launch, 2022 was a year full of progress and momentum and we are looking forward to hitting even more milestones in 2023.

As we look to the year ahead, we wish to reflect with gratitude on the year passed. We give sincere thanks to the Municipality of the District of Guysborough, the Province of Nova Scotia, the Community Liaison Committee, and the local businesses and residents who have worked with us over 2022 to ensure that, together, we are doing all that we can to maximize the socio-economic benefit of Spaceport Nova Scotia on our local communities.

On January 20<sup>th</sup>, Maritime Launch was pleased to join Minister Alghabra, the Minister of Transport Canada, the Honourable Marc Garneau, and Lisa Campbell, the President of the Canadian Space Agency, where the Government of Canada announced their enthusiastic support for commercial launch in Canada.

For more information, you can read the news release [here](#).

The construction of the spaceport remains ongoing. Since September, we have made solid progress, and we continue our work despite the frigid temperatures. We have completed much of our roadways and we will soon begin work on a launch pad.

Construction is managed by Lindsay Construction and we kindly remind members of the community that Spaceport Nova Scotia is an active construction site. Safety of the community is our number one priority and access to the site is managed and controlled by Lindsay.

We look forward to inviting members of the community to tour the site of Spaceport Nova Scotia when we are further along with construction.

On behalf of the Maritime Launch team, we wish you a healthy, happy and prosperous 2023.
