MESSAGE

Warden Paul Long

“

You are the future of our municipality, and I hope your educational journey leads you to a point where you can say, “MODG has a future for me.”

FROM THE WARDEN

Another summer season has come and gone, bringing with it many events and homecomings that once again turned our municipality into a place of celebration and a welcoming place for old and new friends.

Congratulations to the many communities that hosted events this past summer. Your continued efforts to keep the history, traditions and successes of our communities alive, while welcoming those who may be looking for a new place to call home, are what make MODG such a great place to live.

While summer may sometimes feel like an “endless vacation” of events and activities, the work of the Municipality certainly doesn’t take the summer off. Council and staff continue to work on economic development opportunities, municipal priorities and ways to support communities across our districts. Many thanks to our Recreation and Public Works teams, who rise to the occasion each summer to ensure seasonal opportunities are available for residents and visitors.

Throughout the summer, we have also welcomed provincial officials as we continue to explore opportunities for the long-term development of our municipality. Our staff works diligently to keep Council informed of changes to provincial and federal policies and programs so that we can make the best decisions possible for our communities. Thank you to all our staff for their continued commitment to making life in MODG comfortable, progressive and full of opportunity.

As we move into the fall, we are also continuing our work to build a municipality where everyone feels welcome and has an opportunity to participate and belong. Through the work of our EDIA Committee, Council, municipal staff and committee members will be participating in ‘Foundations of Belonging’ training throughout the year. This will be an ongoing learning journey and an opportunity to better understand how our decisions and actions affect people across our municipality.

Fall also brings a return to school, new routines and new opportunities. To all students heading back to school, I hope the year ahead brings new experiences, friendships and opportunities to learn and grow. You are the future of our municipality, and I hope your educational journey leads you to a point where you can say, “MODG has a future for me.”

That is what we are working toward as Council — making the option of living, working, raising a family and prospering here something that is the norm, not the exception.

Thank you once again to everyone who helped make this past summer such a successful and enjoyable one. Stay safe, enjoy the fall season, and continue to enjoy all that MODG has to offer.

5th Annual Emancipation Celebration Ceremony – August 1st, 2026

In observance of **Emancipation Week**, our municipal website homepage featured a special hero image recognizing Emancipation Day. This cultural observance was highlighted as part of *Belonging Begins Here: MODG's Path to Equity*, reflecting the Municipality's ongoing commitment to recognizing important cultural observances and the diverse histories and cultures that are part of our municipality and province.

Observed annually on August 1st, Emancipation Day commemorates the historic enactment of the Slavery Abolition Act in the British Empire in 1834, marking the legal end of slavery throughout much of the British Empire. The observance provides an opportunity to reflect on this important chapter in our shared history and recognize its lasting significance.

Celebrating Acadian Heritage Month

Following Emancipation Week, the Municipality's website homepage featured a special hero image recognizing Acadian Heritage Month.

Throughout August, the Municipality recognized Acadian Heritage Month by flying the Acadian flag at the Municipal Building and proudly supporting the community-led Festival Savalette, held August 6th to 9th.

Celebrated throughout August, Acadian Heritage Month recognizes the rich history, culture, traditions, and lasting contributions of Acadian people in Nova Scotia and across Canada. Together, these initiatives reflected the Municipality's ongoing commitment through *Belonging Begins Here: MODG's Path to Equity* to recognize important cultural observances and celebrate the diverse histories and cultures that shape our municipality.

Building a Stronger Municipality Through Belonging

Creating a community where everyone feels a true sense of belonging is an ongoing effort. This is why municipal staff launched an internal, online training program created by Placemaking 4G called Foundations of Belonging in the Workplace on August 5th, 2026. Designed to establish a shared foundation and common language around equity, diversity, inclusion, and accessibility, this comprehensive initiative represents 8 hours of dedicated learning across 11 modules. By exploring core topics like systemic barriers, bias, and respectful communication, staff across all departments are building the confidence to identify barriers and engage thoughtfully. This work ultimately strengthens how our team collaborates to better reflect and serve all residents within MODG.

MODG Invests in Inclusive Leadership Through New Learning Series

As part of *Belonging Begins Here: MODG's Path to Equity*, the Municipality of the District of Guysborough's Equity, Diversity, Inclusion and Accessibility (EDIA) Committee is launching a municipally sponsored learning series designed to strengthen leadership across community organizations. The first workshop, Building Real Readiness for Inclusive Leadership, will take place on **Thursday, September 10th**, and is designed for board chairs, presidents, executive directors, senior staff, and organizational leaders who are committed to building welcoming, inclusive, and equitable organizations.

The workshop reflects the Municipality's commitment to advancing equity, diversity, inclusion, accessibility, and belonging by supporting the leaders who help shape organizations and services throughout our communities.

Facilitated by **Placemaking 4G (P4G)**, the interactive three-hour workshop will introduce participants to the Deep Democracy framework, providing practical tools to navigate challenging conversations, strengthen relationships, and create organizational cultures where people feel heard, respected, and included.

Participants will explore ways to:

- Strengthen leadership by constructively addressing tension within boards, staff teams, and organizations.
- Build organizations that are better prepared to engage with diverse communities in meaningful and respectful ways.
- Foster stronger relationships with equity-deserving communities, with a particular focus on African Nova Scotian communities within the Municipality.

Bradley Daye, Co-CEO of Placemaking 4G, says meaningful community engagement begins with organizations that are prepared to do the work internally. "To build sustainable relationships with equity-deserving groups, we have to do the internal work first. We need to ensure our organizations are truly ready for the invitation we are sending out."

The workshop will be held from 9:00 a.m. to 12:00 p.m. at the Chedabucto Lifestyle Complex in

Guysborough. Participation is complimentary through municipal sponsorship, with registration limited to 30 participants to encourage meaningful discussion and engagement. Community organizations are encouraged to send up to two leaders to participate in the workshop and bring new knowledge and practical tools back to their organizations.

For more information or to register, contact Christina Bowie at cbowie@modg.ca.

Supporting Affordable Housing

The Municipality of the District of Guysborough is pleased to provide \$20,000 in funding to Community First: Guysborough County Housing Association through the Municipality's Affordable Housing Fund, part of the General Government Grant Program. This investment will support the organization's ongoing efforts to increase and improve affordable housing opportunities for residents across the Municipality.

Dancing Grannies Keep Community Moving

What began as a Community Health Board Wellness Grant has grown into a program that participants simply didn't want to see end. When the Municipality learned through its Equity, Diversity, Inclusion and Accessibility (EDIA) Committee that the Dancing Grannies program was coming to a close, it was clear how much it meant to the women who gathered each week. Through municipally sponsored recreation programming, the Municipality was proud to continue supporting the program so these important connections could continue to grow.

Led by instructor Alicia Clyke, participants dance in whatever way works best for them, whether from a chair or on their feet. Each class is filled with music, laughter, encouragement, and conversation over tea and snacks, creating a welcoming space that supports both physical activity and social connection. This summer, classes were held at the Upper Big Tracadie Community Hall and the Sunnyville Community Centre. Participants also shared their joy with the community by performing during the Guysborough Come Home Week Finale and the Emancipation Day Celebration on August 1.

Member Spotlight: The DeWolfe Family

What motivated you and your family to get started at the Canso Fitness Centre?

Our family was actually gifted a membership to the Canso Fitness Centre, and we couldn't have been more excited. We had watched the fitness centre come to life over the winter while spending so much time next door at the arena, so it was exciting to finally walk through the doors. We try to go as often as we can as a family. As parents, we wanted to model what living an active lifestyle looks like for our boys and help build healthy habits while they're still young. What started as a great opportunity has quickly become something we all genuinely enjoy doing together.

What would you say to someone who is thinking of joining or trying out the Canso Fitness Centre?

Just start. I know so many people who want to come but feel overwhelmed before they even walk through the door. You don't have to know what you're doing or have a complicated workout plan. Hop on a bike, walk on the treadmill, or try one machine. Take it at your own pace and build from there. Everyone starts somewhere, and the hardest part is simply getting through the door that first time.

What benefits have you experienced overall from your time as a member at the Canso Fitness Centre?

When I joined, my goal was simply to do something for myself and get stronger. I never expected it to become something our whole family would look forward to. It's given us quality time together while encouraging all of us to be more active. We've met people in the community we don't usually get the chance to see, and it's become a fun part of our summer routine. Between working out, playing pickleball, swimming, and taking part in other programs offered through Canso Recreation, we've found ourselves spending more time together, building healthy habits, and enjoying everything our community has to offer. It's been great not only for our physical health, but for our confidence, our family time, and our overall well-being.

Celebrating Sunnyville's Story

In June, we unveiled the new Sunnyville Interpretive Panels and celebrated the rich history and stories of the Sunnyville community.

A special shout-out and thank you to the Sunnyville Community Association for their leadership, passion and dedication in bringing this project to life. We also want to recognize Municipal staff for their work and support throughout the project, from helping bring the panels together to making sure Sunnyville's story could be shared and celebrated.

Thank you as well to everyone who contributed their time, knowledge, photographs and stories. Your contributions helped capture the people, places and experiences that have shaped Sunnyville over the years.

The panels help preserve and celebrate the Black history of the Sunnyville community, creating an opportunity for residents and visitors to learn more about Sunnyville and ensuring these important stories are remembered and shared for generations to come.

Municipality Undertaking Land Use Planning Review

The Municipality of the District of Guysborough is currently undertaking a review of its land use planning documents, including the Municipal Planning Strategy and Land Use By-law. WSP Consulting has been hired to complete this review. These documents help guide how communities grow and develop over time, and they set out where and how different types of land uses may take place throughout the Municipality.

This review is an important opportunity to ensure local planning policies continue to reflect the needs, priorities, and long-term vision of residents, businesses, and communities across the district. Public input will be an important part of the process.

Residents are encouraged to watch for upcoming dates and details for public consultation sessions, which are expected to take place in late September or early October. These sessions will provide an opportunity to learn more about the review, ask questions, and share feedback on future land use planning in the Municipality.

Further information will be shared as consultation dates are confirmed. Residents are encouraged to watch the Municipal website at modg.ca and the Municipality's Facebook Page for updates. An online survey will also be made available in the coming months to provide another opportunity for residents to share their feedback. We encourage residents to take part and help shape the future of land use planning in the Municipality of the District of Guysborough.

Council Adopts Anti-Racism Charter in Recreation

At its July meeting, Municipal Council officially adopted the Anti-Racism Charter in Recreation, becoming a signatory to this province-wide commitment led by Recreation Nova Scotia.

By signing the Charter, the Municipality has committed to advancing equity, diversity, inclusion, and belonging within recreation programs, spaces, facilities, and experiences. The Charter recognizes that everyone should have the opportunity to participate in recreation in environments where they feel welcome, respected, and valued.

This commitment builds on **Belonging Begins Here: MODG's Path to Equity**, the Municipality's anti-racism and equity plan, and reflects Council's ongoing efforts to foster more inclusive communities for residents of all ages and backgrounds.

As a signatory, the Municipality also has access to Anti-Racism in Recreation training through Recreation Nova Scotia, supporting staff, volunteers, and community recreation leaders in strengthening inclusive practices across the Municipality.

To learn more about the Anti-Racism Charter in Recreation, visit Recreation Nova Scotia's website.

PACY Afterschool Program

The PACY After School Programs at the Chedabucto Lifestyle Complex and Fanning Education Centre continue to provide children with opportunities to be active, have fun, and connect with their peers in a safe and supportive environment.

Council has made access to affordable and inclusive programming a priority, and PACY is a key part of supporting families, healthy communities, and strong local connections. This program is offered **free of charge** to parents and guardians. We are working to make this program more accessible for all students, ensuring more families can take part.

The Municipality is also proud to employ student leaders, who work alongside Recreation staff to support and supervise children during program activities, helping to build leadership skills and positive community involvement.

Chedabucto Lifestyle Complex

Grades Pre-Primary to 6

Monday, Wednesday & Friday | 2:30–4:00 p.m.

Fanning Education Centre

Grades Pre-Primary to 2

Monday & Friday | 2:45–4:00 p.m.

Grades 3–5 | Wednesday | 2:45–4:00 p.m.

The objective of the PACY program is to show children that physical activity is fun, accessible, and an important part of everyday life.

For more information, please call 902-533-2088.

RECREATION REPORT

Community and Recreation Grants

The Community Recreation Grant Program is designed to encourage community recreation in a manner consistent with the recreation principles, goals and plans of the Municipality of Guysborough. In addition, it is to be used to improve the quality and quantity of community recreation opportunities by financially assisting community groups with new Recreation & Culture Initiatives, Leadership, Youth Programming and Individual training and development. Community Grants are received and assessed on an "as needed" basis. In addition, it is the policy of council to approve only one community grant per year (April 1st - March 31st) per group or individual.

Community Program Grant (\$500.00) – This grant is for community organizations that are planning programs or events for residents of MODG

Community Hall Grant (\$1,000.00) - All Community Halls and Community Centres in MODG are eligible to apply to assist with the ongoing cost of maintaining a community space.

Please feel free to contact our Recreation Department for more information on our grant program, **782-452-4003** or **atavares@modg.ca**.

Forms for these grants can be picked up at Recreation Office or modg.ca

Canso & Area Recreation Complex

Hours of Operation - Monday to Friday from 8 am to 8 pm & Weekends from 11 am to 5 pm

Memberships - Full details on membership options are available on our website at modg.ca

Equipment

The Fitness Centre features new equipment including an exercise bike, squat rack, and lat pulldown and seated row machine, supporting a variety of fitness levels.

Bringing Recreation Together in One Space

This facility will enhance safety and provide greater support for our summer day camp programs, student leaders, and lifeguarding staff as recreation staff will be on site seven days a week. We look forward to seeing residents take advantage of this new space and making it the center of health, connection, and community.

Grand Opening of the Canso and Area Recreation Complex

We wish to extend a huge thank you to everyone who joined us throughout the day on August 12th to celebrate our official Grand Opening. Your support, enthusiasm, and presence made the occasion truly special.

We're excited to look ahead to a bright future focused on bringing our community together, creating connections, and providing opportunities, programs and events for everyone to enjoy.

Current offerings include pickleball, walking groups, carpet bowling, Kids Weekend free play, and drop-in ball hockey. The facility also supports active recreation through our equipment loan program such as rollerblades, scooters, and helmets for safe use of the space. Additional programs include yoga and the Healthy Hearts program, helping support physical activity and overall wellness in the community.

Highlight – Outdoor Adventure Camp

What an Adventure! Our Outdoor Education Camp was a fantastic two days of exploring the outdoors, learning new skills and having fun. Campers enjoyed canoeing at Upper Boylston Park, biking sections of the Trans Canada Trail, building shelters, and connecting with nature under the guidance of instructor Derek MacDonald.

As Derek shared: “MODG boasts some of the best facilities and programming around. Biking, hiking, canoeing - MODG Recreation excels at promoting active, healthy living while staying centered on community. It’s a pleasure to be a small part of it each summer.”

A big thank you to Derek for another amazing camp and to all of our young adventurers for making it such a memorable experience! We love seeing our beautiful outdoor spaces come alive with learning, laughter, and adventure.

Guysborough District Business Partnership

Website: www.guysboroughdistrictbusiness.ca

Facebook: Guysborough District Business Partnership

Email: acunningham@gdbp.ca

Who are we?

The Guysborough District Business Partnership (GDBP) was established in 2022 as a not-for-profit organization governed by a seven-member Board of Directors representing local business and education. Together, the Board works to strengthen the Municipality of the District of Guysborough by focusing on three key priorities: community development, tourism, and small business growth.

A New Chapter Begins at 21 Pleasant Street

The Guysborough District Business Partnership (GDBP) has taken an exciting step forward with the purchase of the former Baptist Church property at 21 Pleasant Street.

The vision is to transform this familiar landmark into a modern commercial building that creates new opportunities for business and workforce development while preserving the character of one of Guysborough's most recognizable buildings.

The main floor is envisioned as a flexible commercial space designed to accommodate a range of business opportunities that strengthen the Municipality's commercial sector and encourage investment. Potential uses may include retail, services, food-related businesses, or other commercial enterprises that contribute to a vibrant and active downtown. The second floor is planned to provide flexible training, meeting, and office space to support workforce development, business growth, and future economic opportunities.

The GDBP has already committed funding to begin the engineering and design phase later this summer while continuing to pursue additional funding to support the full redevelopment.

As the project moves forward, the GDBP looks forward to sharing updates with the community as this historic building begins its next chapter as a place where new businesses can grow and the local economy can continue to thrive.

Give Your Storefront a Fresh New Look!

First impressions matter—and now there's funding available to help make yours stand out.

The GDBP is excited to launch a new Commercial Façade Improvement Program to help business owners enhance the appearance of their storefronts and commercial properties.

Whether you've been thinking about new siding, windows, doors, exterior paint, signage, or other improvements, this program can help bring those ideas to life. By investing in our businesses, we're also investing in stronger, more welcoming communities that encourage new customers, new businesses, and future investment.

Matching grants of up to \$10,000 are available to eligible commercial properties throughout the Municipality of the District of Guysborough. If you've been waiting for the right time to improve your building, this could be it!

Visit our website to learn more, review the program guidelines, and submit an application.

We look forward to helping bring your project to life!

Art Works East

ArtWorks East (AWE) is an association of visual artists and crafters who live in Guysborough County, founded in 2019. We welcome local artisans of all ages and levels of experience as well as those who want to support the visual arts in our area. There are many ways to view the products of our 50+ members. The **ArtWorks East Gallery** on the Guysborough waterfront will remain open throughout September (hours to be determined). But that's not the only place to view visual arts and crafts. September and October is a great time to tour the county. Here are a few interesting spots:

GIANTS LAKE: The Good Karma Handmade Goods & Art Studio is now open by appointment at 2284 South River Lake Road, Giant's Lake. Browse handmade jewelry, natural body care products, artwork, crystals, tarot decks, and other unique gifts created by Cairista and Patty MacIsaac. Tarot readings are also available by appointment. For more information, visit heygoodkarma.ca

PORT HILFORD: The **Old Schoolhouse Market** is located at 50 Sonora Road, just off highway 211 and open Thursday through Sunday, 11-4. You'll find pottery, jewelry, pencil art, crocheted items, wreaths, jams and jellies, products from Salty Shore, Swinkels, Creekside and more. And just 2 miles east along Route 211 is the Forgotten Shore Farm where you can find paintings by Wilda Kaiser and Debbie Jordan as well as many other crafts, plus fresh produce and ice cream. And just beyond that, on route 211 is **Knickle's Studio and By the Tides Kitchen** with delicious baked goods and lots of photography. You can find all three venues on Facebook where there are many photographs.

CANSO: Have you visited **Eileen's Creations** at 33 Prince Street in Canso? Open daily after 10 a.m. She makes art from recycled or reclaimed materials, including rope art, rope mats, baskets, seaglass art plus various creams. Check this out on Facebook! And then there is the **Canso Library** where you can see artwork by Wayne "Neck" Avery, Sandy Winter, Pat Steger, Eileen Chisholm, Marlene Irwin, and Patty MacIsaac.

And if you're stuck at home, don't forget our website—artworkseast.ca—where you can see many other artists as well as our schedule, details about membership, and more.

ESCOM (Eastern Shore Citizen Science Coastal Monitoring) Updates

Our Coast Is Changing. Will You Help Us Understand It? Every storm, every high tide, every winter snowfall leaves a mark on our coast. Some changes are obvious. Others happen so slowly that only years of observations reveal the story. The question is: **who will be there to notice?**

The answer is not a government agency or a university alone. It is **our community**.

Across the Municipality of the District of Guysborough, ordinary residents are becoming citizen scientists. They spend just a few hours each month measuring beaches, identifying coastal plants, recording weather, and documenting the shoreline. Together, they are building something extraordinary: a long-term record that will help future generations understand how our coast is changing and how we can better protect it.

But our coastline is long, and we need many more eyes on the shore. Whether you walk your local beach every day, enjoy photographing nature, or simply care about the place you call home, you can make a real difference.

An easy way to get started is by visiting one of the three **CoastSnap** stations located at **Tor Bay Provincial Park, Black Duck Cove Provincial Park, and Port Shoreham Beach Provincial Park**. Simply place your phone in the holder, take a photo following the instructions on the panel, and upload it. Every image becomes part of a growing scientific record that helps us track shoreline change over time.

Our coast needs local champions. It needs people who know these beaches best.

Join ESCOM and help protect the coastline we all cherish.

Guysborough County Home Support Agency

Guysborough County Home Support Agency

Congratulations to the Board of Directors, Management, and Staff at Guysborough County Home Support Agency for completing the Accreditation Canada Primer program. The goal of this two-year program is to improve the quality, safety, and efficiency of care GCHSA provides.

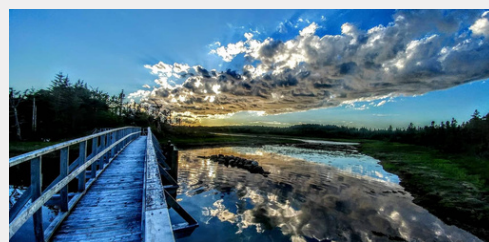

During the two years preparing for the August 19-21/26 on-site survey with Accreditation Canada, GCHSA did a comprehensive self-assessment and developed a quality improvement action plan (QIAP). The QIAP helped the Agency focus on processes and policies for service delivery, safety practices for both clients and employees, governance, leadership (management and staff), and people-centered care.

This two-year program was step one of GCHSA working toward achieving continuous improvement in the delivery of quality care. GCHSA will now embark on the next step of its quality improvement journey - Qmentum Global, a three year program that focuses on community standards for home care.

Guysborough Memorial Hospital Auxiliary

The Guysborough Memorial Hospital Auxiliary's mission is to raise funds and provide equipment that directly supports patients, nurses, and doctors, helping ensure compassionate and effective care for residents of Guysborough and the surrounding area. Through the generous support of the community, the Auxiliary has recently purchased important equipment for the hospital, including: Video Laryngoscope System for the Emergency Room — \$20,318.31 & Two Vital Signs Machines — \$6,413.70

Annual Quilt Raffle Returns - The Auxiliary will once again be holding its Annual Quilt Raffle. This year's beautiful quilt, "Chandelier," measures 88" x 100". Tickets are available from Auxiliary members and will also be available throughout the summer at various locations. If you would like to purchase tickets or help sell tickets, please reach out to a member of the Auxiliary.

Ongoing Support at the Hospital - The Auxiliary continues to support patients and hospital services by providing:

- Cable TV service in patient rooms (\$405.42/month)
- Personal care items for patients
- Support for the foot clinic

Be sure to check out the flower gardens at the hospital entrance, where Auxiliary members have been busy maintaining the beautiful flower beds. **Join the Auxiliary** - The Auxiliary is always welcoming new members. Meetings are held on the second Wednesday of September, November, March, and May. The **next meeting** is scheduled for September 9 at 7:00 p.m. in the Hospital Boardroom.

For more information, **contact Maureen** at 902-533-4068 or **email mmp.landry@gmail.com**.

The Auxiliary appreciates and thanks the community for its continued support and generosity. Your contributions help improve the comfort and care provided to hospital patients. **Donations** can be made by e-transfer to gmhadonations@gmail.com (please include your address for a receipt) or by mail to:

Chedabucto Curling Club

This years Ducky race, BBQ chicken dinner, kids games, and dunk tank were a success!

We would like to thank everyone who helped in organizing, building, cooking, donating, volunteering, and also everyone who showed up to support the event.

Next on the agenda will be the semi-AGM in Oct, with ice prep for the upcoming season starting in Oct as well. In the meantime, there will be ongoing work and projects happening around the club so if you want to help, please reach out.

We are also still exploring the possibility of hosting a few Cribbage tournaments. Keep an eye on our Facebook page and local posters for updates and announcements.

Don't forget that the Club is available to rent throughout the year for parties, celebrations, meetings, and special events. For rental inquiries, please call, text, email, or visit our Facebook page.

MentorAbility Nova Scotia

Are you interested in learning more about jobs or industries that excite you? Then the MentorAbility program might be what you are looking for!

MentorAbility Canada is focused on facilitating unique, short-term mentorships between employers and persons experiencing disabilities. These can last anywhere between one hour and one day and there is no expectation of employment after the mentorship. The mentorship could be an exploratory conversation, mock interview, job shadowing, workplace tour, or work-based experience! The goal is for the mentor to learn how to be more inclusive in their workplace and share their expertise and knowledge, while the mentee learns about what a job/industry entails and what it is like to work in it.

A **MentorAbility mentorship** is a great way to explore a job, industry, or career you are interested in! There is no expectation of employment after a mentorship, but it is used to support your employment journey and make connections in the fields you would like to work in.

If interested, please reach out to Aaron Fanning by either phone or email at afanning@careerconnections.ca / 902-870-7963

MESSAGE

Greg Morrow, MLA Guysborough-Tracadie

“

A heartfelt thank you to the dedicated volunteers who make our community festivals and events possible each year.”

FROM THE **MLA**

Another busy summer in Guysborough-Tracadie is in the books. I did my very best to get out to all the various festivals and events in our communities in addition to my regular duties as your MLA and a provincial cabinet minister.

As always, a HUGE thank you to the dedicated volunteers who organize all these wonderful events - they simply couldn't happen without you. I'm always happy to support many of these festivals through my office. We also held our annual MLA open house and BBQ during Come Home Week's family carnival night - thanks to everyone who came out for a hamburger, hot dog, or just to say hi!

I welcomed a couple of my cabinet colleagues to Guysborough-Tracadie this summer. Marco MacLeod, Minister of Energy, visited in July - his stop included a meeting with MODG Warden Paul Long and senior staff. Marco was truly impressed by just how much is going on here. We also met with Ginny Boudreau from the Guysborough Co. Inshore Fishermen's Association. Speaking of the fisheries, Kent Smith, Minister of Fisheries and Aquaculture, joined me for the 50th anniversary of the Provincial Seamen's Memorial during Canso Regatta in August - I appreciate Kent accepting to my invitation to join us for this important ceremony's milestone.

Remember, if we can do anything to help, Charla and I are here - don't hesitate to contact us at 902-533-2777, email GregMorrow4GT@gmail.com or drop by see us in the constituency office. Enjoy your fall season!

Greg
